

Mrs. Crudup's Class News

Dates to Remember

- March 27: PTA general meeting
- April 1: Field Trip
- March 30- 31: STAAR testing

Announcements

- **Skating 101** - it was explained to me that they will be here for 2 weeks, so if you haven't sent in the form with the \$2, you can still do so! 😊
- **Field trip next week**- if you haven't turned in a permission slip for your child, please do so. Also, if you're volunteering, you **MUST** have a background check.
- **March Book It**- I apologize for not sending home a Book It form for this week. However, each student will get a coupon because I know every student is working hard in their reading.
- **Running Low!** I'm so happy the "sick" season is over, but we are down to our last box of tissue and bottle of hand sanitizer! Please donate to the class if you can!

What Are We Learning in

Math

Place value, Ordering

Computational Fluency

Science/SS

Living and Non-living
