- 12/12 Turn in all graham crackers and non-refrigerated items.
- 12/14 Come help glue milk cartons to plates
- 12/15 Holiday party
- 12/16- 1/2 Winter Break

- WOW! We had every item on the sign-up genius accounted for! Thanks for jumping on that. We will still need a dessert (once the kids vote on Friday) and don't forget to let me know on sign up Genius if you're able to help. Graham crackers and non refrigerated items should be turned in no later than December 12th.
- Please remind students to cover their mouths when they cough and sneeze, for I've been getting some up close and personal cough shows ;-). Remember if you believe they might be sick, keep them at home if you can so they can recover before the winter break comes, woo hoo!!!!
- Keep reading with your coconuts and asking them questions about their reading. Question suggestions are in the packets we gave you during our fall conference and in the inserts in your child's daily folder. Thanks for all that you do!

Math

We are learning how about double facts! Ask your child about the doubles rap on Youtube. They love it!

Reading & Writing

We are learning about fantasy stories, and learning how to write stories using adjectives and sparkle words.

Science

Exploring rocks and land & water formations.
