Math

We are learning about using tallies and graphing.

Reading & Writing

We are learning about how fantasy differs from reality.
We are writing about New Year resolutions!

Science

We are exploring different types of weather.

- It was so great seeing your children's little faces today. I can see you have been working with them on their reading. They came in Tuesday as if they had never left! Please remember to have them turn in their December reading logs.
- International day is coming up on the 18th and I will be sending home sheets from the counselor for your child to decorate so they can share their culture with the class. Something I like to do is allow parents to make a send a dish to school on international day for the whole class to enjoy. If this is something you're interested in please let me know no later than Friday so I can check for any allergy issues.
- I will be sending home a new reading log but this one is linked to your coconut winning a FREE ticket to Six Flags. They have from now until the end of February to read 360 minutes or more. I too get 1 free ticket if just one of my kiddos reads so that'd be a nice treat after baby Zoë is born! ^_^
- Keep using practicing the activities from the inserts in your child's folder. Thanks for all that you do!
