- 10/14/16

### Math

Problem solving

Number sense to 20

### Reading

We are learning how to choose a good fit book, how to buddy read, and how to book shop.

### Science

Exploring science tools and what a science journal should look like.

- **Back to school night** is next Thursday! Please come to check out all that your child has been doing so far. I also would love to share some resources with you that will help you better work with your child at home.
- **Library** will be every other Tuesday. So since we got library books this week, we will go back to the library 2 Tuesdays from now. They are able to exchange books before then, but time isn't always guaranteed.
- **Our first field trip is coming up!** We will be going to the state capital! If you are interest in being a chaperon, PLEASE make sure you fill out your volunteer paperwork on the school website. You simply click on parents, then scrool down and click on the Volunteer Application link. I have embedded one [here](#) for you if this was sent electronically.
