## Announcements

- **Mosquito bites!!!!** I have some Calamine (pink lotion-like medicine) that I apply to mosquito bites on the students who are scratching to the point of breaking skin! I've only had to apply it to 3 or 4 students but if you do not want me to just let me know.
- **Have your child bring a stuffed animal to school tomorrow.** If they don't have one, a simple toy is fine. We are going to be describing the properties of matter, so what better than something they love?
- **Homeroom parents** I will be emailing a Googledoc survey for things that I need help with. Just fill it out and it'll come back to me.
- **We go to library next week** so bring those books back with your coconuts!

## Reading

## Science & Social Studeies
