- **I have included a sign up sheet for those who didn't sign up for October 10<sup>th</sup>.** Please mark your top 3 days. If you don't find one fitting on the sheet, leave a comment tell me when you are available. I'd rather meet in person, but phone conferences are fine too if you are fine with that. Please try and help me by picking from the days provided, because 21 conferences could take up to a month if I don't narrow it down to a handful of days! **HOWEVER** I understand needing to make exceptions!
- **Helpful parents!** Please be patient with me. I've never had so many parents wanting to help out, however we are in the midst of T-TESS goals conferences, testing your coconuts to figure out groupings, and finishing up compliance trainings. I look forward to your help in the future and it's always good to see your faces when you drop by! Thanks!!!!
