Math

We are learning how to represent 2 digit numbers using towers of ten, how to add 2 and 1 digit numbers together, and coins!

Reading

We are learning about informational texts and text features!

Science

We are exploring weather!

Announcements

- **Read to succeed and Book It** - if you didn't receive either of these reading logs, please let me know and I can get you a copy.
- **Vocabulary List** - I have sent your child's vocabulary test home as well as a list of those vocabulary words. Please work with your child on the words they missed, as well as keep them aware of the ones they already know. You can let them make sentences, play flashcard games, etc. Anything helps!!!
- **Take your dad to school day is this week!** Free donuts and juice just for being a part of your child's morning.
- **I am sending home** your child's work from the 1st 9 weeks. Please feel free to let them explain their to you (which is practice for them) or have them redo anything that was incorrect (mind you this is practice work so the more practice at home, the better).
- **I don't say this enough but...** thank you for being wonderful and supportive parents. You are all amazing and I'm very blessed to have you all. Thanks for making me a better teacher! :-D
